Q.2. Read the Passage and answer the question that follow? 5×2 = 10

In the jungle, there are many different animals. Some animals live in trees, while others live on the grounds. Monkeys love to swing from tree to tree and eat fruits. They have long tails that help them balance. Elephants are the largest land animals, and they use their long trunks to drink water and spray themselves to keep cool. Tigers are big cats with beautiful stripes on their fur. They are excellent hunters and can run very fast. Snakes in the jungle are long and slim. They move silently and can be very dangerous. Lastly, there are many colorful birds in the wilderness. They fly high up in the trees and sing beautiful songs.
